

13-March-2023

Notification Ref No: 2023/NISG/EP/C/17

EMPANELMENT OF PARTNERS
in the domain of Cyber Security
From Category C (Small IT Firms)

NISG wishes to empanel service providers, who provide consultancy services in the **domain of Cyber Security, with the following capabilities:**

- Design cyber security strategy for different government agencies
- Prepare policy and define processes, SOPs, templates etc.
- Audit existing cyber security
- Conduct cyber forensics
- Train officers in cyber security
- Recommend various commercial software components, monitoring and forensic tools
- ISO 27000 compliance
- Vulnerability and penetration testing

The service providers are expected to have sufficient cyber security expertise in all aspects of hardware/software/network/cloud, forensics ability on desktops/laptops/mobiles/networks, VAPT, ISO 27000 etc.

Experience in large Indian Organizations, Government, PCI certified Data Centres, Cyber Crime **will be preferred.**

In addition to the above requirement, the applicants may list additional expertise in the area of new and emerging technologies to work on for future assignments and opportunities with NISG. Such external organisations should be of sound financial background and in a position to provide their services and other conditions as detailed in the Empanelment Process document.

The Empanelment Process documents can be downloaded at [Terms of Reference of Empanelment Process for External Partners for NISG](#) or from the NISG website www.nisg.org. This process document details the pre-requisites, application process and the relevant documents that need to be submitted.

The applicants can submit the application along with supporting documents between **13th March and 20th March 2023.**

In case of any queries, kindly reach out to empanelment@nisg.org.
